+91 8529907697 ◇ Haridwar, India ◇ ayush777rawat@gmail.com ◇ github.com/ayush-singh-dev

## SUMMARY

---

Experienced Web Developer skilled in creating responsive, user-friendly websites using HTML, CSS, JavaScript, and frameworks like React. Strong backend knowledge with Node.js and databases. Detail-oriented and focused on optimizing performance and user experience.

## EDUCATION

---

**HEC Group of Institutions**  
*Bachelor of Computer Applications*

August 2022 - Present  
*Haridwar, Uttarakhand*

## SKILLS

---

### Technical Skills

- **Languages:** Html, CSS, JavaScript, ReactJs, NodeJs, Express, C, C++.
- **Databases:** MongoDB, MySQL.
- **Tools:** Windows, Git, VSCode.

### Soft Skills

- Team Collaboration
- Communication
- Problem Solving
- Time Management

## TRAINING

---

**NULL CLASS**  
*MERN Stack*

August 2023 - December 2023  
*online*

- Developed responsive and dynamic web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js), with a focus on both front-end and back-end integration.
- Designed and implemented RESTful APIs using Express.js and Node.js, with database management using MongoDB and Mongoose for efficient data handling.
- Built interactive user interfaces and single-page applications (SPAs) using React.js, incorporating state management with React Hooks.

## PROJECTS

---

### MERN Stack Blog Application

March 2024

- Built a full-stack blog with user authentication, post CRUD operations, likes, and comments using MongoDB, Express, React, and Node.js.
- Designed a responsive UI with Tailwind CSS, ensuring mobile-friendly layouts and seamless user experience across devices.

### MERN Stack chat application

August 2024

- Developed a real-time chat application using MongoDB, Express, React, and Node.js with socket.io for instant messaging and notifications.
